Think before you post.

Be careful about what you publish, comment on or share online. Make sure your content is appropriate for the platform and the audience.

Respect digital identities.

Respect your own and other people's digital identities and online reputation.

Be careful about who you interact with online.

Do not trust everyone you meet on the internet and take care when communicating with unknown people.

Use the internet safely.

Follow safe online practices and, when necessary, ask a trusted adult for help.

Greet people when starting a conversation.

A simple “Hello” or “Hi” is a polite way to begin an online conversation.

Do not harass or attack others.

Never bully, threaten, harass, defame or deliberately hurt other people online.
